

Quantitative Researcher- India

Finance

QuantBox Research Pvt Ltd [QB TRADING LLP]

Closed

Job Details

You will be involved in learning, building, and enhancing the models that keep us competitive in the market. Working closely with traders, software developers, and engineering scientists, you will contribute to researching, developing, testing, and improving our trading algorithms with the goal of increasing profitability. A typical day involves applying rigorous scientific methods, machine learning techniques to a vast array of Mathematics, CSE, Statistics or a related field. You will be expected to think independently, apply creative problem-solving approaches, and collaborate effectively across teams, familiarity with python, C++

Open for CSE, EE, Maths

Place of posting

Bangalore/ Gurgaon
